National Model Aviation Day Fun Fly

In 2015, the Academy of Model Aviation (AMA) asked RC Model Aircraft member clubs around the country to hold charity events to celebrate National Model Aviation Day. This year, Arizona Model Pilots Society (AMPS) has selected the Disabled American Veterans to receive all proceeds of this event.

Bring you fixed wing, helicopter, multi rotor, and join AMPS members at the Adobe Dam Flying Field for a fun filled day of flying supporting a worthy cause.

All pilots must be current AMA or MAAC & FAA members and agree to follow AMPS Adobe Dam Flying Field rules -Large aircraft, drones, quad-copters, helicopters and jet turbines may require different accommodations before flying -Property of Arizona Model Pilots Society 2018. All Rights Reserved. AMPS Fun-Fly program may change without notice --- FINAL
